his wife.

t was learned from one of the officers
the Banking Department this mornthat no application had yet been
de for any other warrants.

We depend entirely upon Kean," said
sofficial, "to explain the irregularis which are shown in his books. If
ifind him he may be induced to tell
to the accomplices were.

He could not have obtained any

ties which are shown in his books. If we find him he may be induced to tell who his accomplices were.

"He could not have obtained any money as a result of his false entries in the books without having a confederate. This is the only inference, because he handled no money.

"He might have simply been in collusion with some depositors on the outside, and by crediting them on the ledger with larger deposits than they made have obtained money in this way.

"I do not think he got all the money, however. He must have divided with somebody. Whether he was in collusion with one of the other clerks or with outside persons, the books would show the same condition of affairs. So, as I say, we must have Kean in order to learn who assisted him in manipulating the books.

"It is barely possible that a discrepancy like this could result from simply carrying along errors made in the past, due to carelessness, but it does not look like it.

Vice-President A. A. Farley, of the

like it.
Vice-President A. A. Farley, of the
Harlem River Bank, in speaking of
Kean's connection with the bonk, said
to-day that he could not believe him
guilty of embeziement, as he had been
connected with the bank for three
years, and had always shown himself to
be a young man of exemplary habits.

Another officer of the bank stated that
Kean had never been suspected of dishonesty. He had been very reserved,
and very little was known by his assodates in the bank if hos private affairs.
The diacovery of the falsification of
the books was made only four or five
days ago, when the examination of the
pass-books began to be made.
There were about 1,000 accounts, and
00 of the pass-books have already been
examined by Receiver David B. Sickels
It is thought that Kean must have got
wind of the discovery of his irregulartitles several days ago, and learning

DAMAGE AT CONEY ISLAND.

Enjoyed the Storm.

Last night's storm did considerable damage at Coney Island, Grayesend and South Brooklyn, but while the rain and hall fell and the lightning played fantastic tricks, Buffalo Bill's Wild West performance was going on with that same accuracy and attention to every detail that have marked each performance. that have marked each performance.

Not an item of the programme was omitted, and the rough riders of the world seemed to revel in the weather that made the spectators in the grand stard shiver with apprehension. The cowboy and Indian rode with more dash and yelled with more lung power than usual, apparently trying to drown the noise of the storm.

The solidity of the construction of the grand stand and other buildings of the Wild West was proved by the fact that not a nall was drawn or a tent-peg disturbed, while the houses in the neighborterday afternoon, 264 strong, and the best quarters it has occupied since leaving Chicago. The army left Columbia City at 8 o'clock yesterday and made the trip of twenty-three miles in eight hours, without a bite to eat.

Mayor Oak', Supt. of Police Liggett. Sheriff Chauleier, J. R. White and A. J. Lyon. Secretary of the Board of Safety, drove to the city limits and escorted the army through the city to Centilivre Park. Thousands of people witnessed the parade.
